4. Write the bug report:

FRONT | Top Box Office | Movie rate | The "Rate" button is disabled when user tries to rate a movie with 10 stars

Environment: Chrome, version 130.0.6723.92
Preconditions: open the website https://www.imdb.com
Steps to reproduce:

1. Open your browser on the website https://www.imdb.com
2. Unfold side menu
3. Select the "Movies"
4. Click on the "Top Box Office" menu item
5. Click the 2nd movie from the list
6. Click on the "Rate" button
7. Try to rate the movies with 10 stars
8. Click "Rate" button

Actual Result:
The "Rate" button is disabled

Expected results:
The "Rate" button is enabled. The user can click on the button and Rate the movie
